October 2015 General Meeting

On Thursday October 22nd the NBPCAAA was honored to have as speaker Waukesha County Sheriff Eric Severson.

From his biography we learned that he maintains executive oversight of all activities of the office to include sworn operations, jail, work release and administration functions. Sheriff Severson has served the Waukesha Sheriff's Office for over 28 years in supervisory and command positions throughout the department. In addition to patrol command assignments, he has commanded the department's Metropolitan Drug Enforcement Unit, Tactical Enforcement Unit (SWAT), K9 Unit and was the founder and first President of the Wisconsin Law Enforcement Canine Handler Association.

Eric Severson is a past Chairman of the Board of Directors for the Wisconsin High Intensity Drug Trafficking Area (HIDTA). He is a member of the FBI National Academy Association, the Badger State Sheriffs Association, the Wisconsin Sheriffs and Deputy Sheriffs Association, and the National Sheriffs Association.

He was elected to the office of Sheriff approximately 2 years ago.

As Sheriff Severson shared details about his personal and professional dedication to a safe Waukesha County, his family, his personal interest in aviation, all members present fully appreciated both the work of this demanding job but also the man whose job it is.

The Sheriff's primary interest and passion is the safety of the citizens of Waukesha County. To that end he encourages active cooperation with the various law enforcement agencies that operate within the county.

To Support the New Berlin Police Department and Law Enforcement

He can best be described as a dedicated (long days and nights), warm, transparent, humble individual with a servant heart.

We are truly blessed to have Eric Severson as our sheriff because of both who he is and what he contributes to the life and safety of our county.

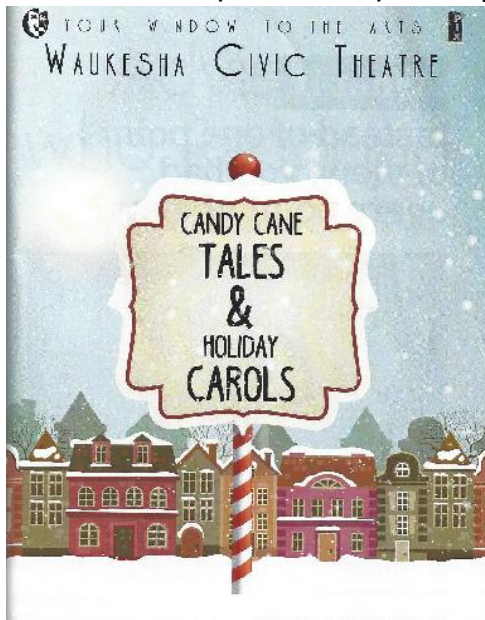

As citizens of Waukesha County and members of the NBPCAAA, our thanks and appreciation goes out to Sheriff Severson for his service to our county.

Thank you also to Stephanie Brown for her ongoing hard work in making all of our very informative quarterly meetings happen.

NBPCAAA Goes to the Theater

Candy Cane Tales and Holiday Carols - A Musical Variety Show

In the interest of fellowship, from time to time, the NBPCAAA intends to schedule a social outing for the membership that's for pure enjoyment. These outings are opportunities to just have fun and enjoy each other's company. Such was the lunch and theater event on Sunday December 6th.

Members met at noon at the Machine Shed restaurant in Pewaukee to “break bread” and spent a little quality social time with each other. Then it was off to the Waukesha Civic Center to see “Candy Cane Tales & Holiday Carols” – a musical variety show.

As advertised, this Christmas show mixed familiar songs, carols and characters into a series of vignettes people of all ages could enjoy. The show begged the question “what would happen if Santa quit his job?” The cast, mostly talented young people, gave a sparkling upbeat performance totally in harmony with the spirit of the holidays. The story line was compelling and the music and choreography was a perfect fit for the thematic plot. All in all, a delight to the eyes and ears.

Your NBPCAAA board will continue to schedule and plan special events/outings. Members are encouraged to not only attend, but also to suggest activities for consideration.

CCW class

Sergeants Troy Hendriksen and Greg Godec instructed and CCW (concealed carry weapon) class for the NBPCAAA members on November 7th. Members received instruction on concealed carry, the requirements to carry and how to carry. Also covered was gun safety, how to carry safely, and where you can and cannot carry. Also included were the requirements to use deadly force, and what deadly force is. The legal implications of carrying a concealed weapon. How to obtain, maintain and renew a license.

Emergency Notification

Waukesha County Communications and the New Berlin Emergency Management will be using Alert Sense for weather related or emergency management. The public may register their cell phones and/or email addresses for community notification of both police and fire critical incidents through WCC (Waukesha County Communications):

[Emergency Alert Notification https://mystateusa.com/alertSignup.aspx?region=21804](https://mystateusa.com/alertSignup.aspx?region=21804)

The Integrated Public Alert and Warning System (IPAWS) is used during an emergency for officials to alert and provide the public with life-saving information quickly. It will save time when time matters most, protecting life and property. The public does not need to sign up for anything to receive an IPAWS alert. IPAWS alerts are broadcast over TV, radio, and cell phone towers.

Treasurer's Report

Thanks to your help we had another successful year in 2015 and donated \$9085.38 to the New Berlin Police Department. Listed below are all the items donated throughout the year. We will once again be hosting the 2016 Wine and Beer Tasting on Saturday, March 12th, the Golf outing on Friday, June 24th and the Bowling outing on Saturday August 20th. It helps us if you can come and/or invite others to these three fun events.

Sherry Hanson, Treasurer

PRESIDENT'S CORNER

As I sit down to write my report, it feels funny, knowing that this will be my last one. After five years, it's time to let someone else have fun and experience this awesome ride. I will miss driving the NBPCAA, so this saddens me. We had elections at the last General Membership Meeting, and the result was that all six Board Members whose term was up, were re-elected. At the February Board meeting, the Board will decide who the new officers will be.

Thank you to everyone that dropped off items or contributed to the "Feeding of the Cops" event. For Christmas Eve, we provided Jimmy John's subs, and on Christmas Day, the staff was able to order from Quaker Steak and Lube. Each day, for each shift, both restaurants delivered what the officers and staff ordered. Between what the NBPCAA, businesses and the community donated, the generosity of everyone was overwhelming. We got great feedback from the officers that they enjoyed this and very much appreciated everything that was done for them. With some of the money that was donated, we supplied the police department kitchen with enough paper plates and plastic forks to hopefully last them the rest of the year.

At the April General Membership Meeting, we will be having a different meeting format. We will be having a party! A party to celebrate that NBPCAA has reached the five year milestone. I will also be handing the gavel over to the new President. We would also like to present a small token of appreciation to the 36 members that have been members for five years. We are inviting Chief

Rieder, Captain Glider, Sergeant Hanlon, and Officers Fus and Hippler to celebrate what we have accomplished. We are in the early stages of planning, so please place this event on your calendar; you won't want to miss the fun. I would love nothing better than to fill every chair in the room and set a record for the most people at a General Membership Meeting!!! Please help me set this record.

If you haven't already sent in your Membership Renewal form, please be sure to get that in now.

It has been a great privilege and honor to be your President. I look forward to continuing to work with you as an active Board Member.
