

## **JULY 2020**

Membership,

The following is the latest information about the upcoming schedule of events, organizational news and information about how you can give our police a boost of support.

### **June General Membership Meeting - CANCELLED**

- The General Meeting originally scheduled for Thursday, June 25<sup>th</sup> has been **cancelled** due to continuing concerns about having a large group together during the COVID-19 situation.
- The current expectation is that Chief Hingiss will present the Rescue Vehicle and we will have our 9<sup>th</sup> Anniversary party during the next regularly scheduled General Membership Meeting on September 24<sup>th</sup>.

### **Golf Outing**

- The Golf Outing **is still on!** Golfers, Friday, August 14<sup>th</sup> is the date. Get your group together and sign up for this important fundraising event.
- The flyer link with all of the information is on both the Home Page and the Calendar of Events page of the NBPCAAA website.
- You can also register and securely pay for the Golf Outing on our website. Please add any additional names of people that you are paying for, or who you want to be grouped with on the payment page.
  - We are working to update the page to better support adding this information.

### **Rescue Vehicle**

- For all those that donated to the Rescue Vehicle, or are interested about it, the Rescue Vehicle has arrived and has already been deployed twice for protests in neighboring communities to ensure the safety of the officers responding to those events.

### **Equipment Room Fundraiser**

- Many, many thanks to all who donated to the Equipment Room Fundraiser. We collected \$4,020! As soon as the Police Department is allowed to have contractors in the building again, they will start work.
- The entire NBPD staff is very appreciative of your generosity and very excited about getting this updated and modernized room.

### **Show Our Police That They Are Appreciated**

- With all of the negative media about police in general, the officers who protect us every day in an exemplary fashion would benefit from some positive feedback.
- The best way to show that we appreciate our NBPD is to write a letter or card. All cards and letters are posted in the police station by the Chief and are read by the officers and staff.
- Facebook or other social media is another way to show that we appreciate the NBPD.
- Spread the word to all of your friends, neighbors, and social media contacts. Write a card or letter and let the NBPD know that we appreciate the great job that they do!
  - Address for cards and letters:
    - New Berlin Police Department
    - 16300 W National Avenue

- New Berlin, WI 53151

### **NBPCAAA Web Site**
