

JUNE 2020

Membership,

General Meeting Announcement

- Our regularly scheduled General Meeting for May 28th is **CANCELLED**. The Police Department and Courtroom will not be open until June 1st.
- The tentative rescheduled date is June 25th at 7:00 p.m.
- We anticipate that Chief Hingiss will be presenting the new SCIT Rescue Vehicle.
- We will send an update as the meeting date gets closer.

Website

- The website has undergone some substantial changes over the past few months, with new content, timely updating, etc.
- We have recently upgraded the infrastructure of the website. We have added encrypted SSL (note the new HTTPS at the beginning of the web address) and a robust firewall.
- We have changed to a more robust server and web platform, and upgraded the version of WordPress that we use to build and maintain the website.
- All of the infrastructure updates have changed the theme and look of the website, which was unavoidable. We will be making some aesthetic changes to the site to make it look and work as we want. All of the information is still complete and accurate and will be maintained during any aesthetic changes that may occur.
- Please continue to go to the website for all of the current NBPCAAA information.

Donation Letter

- Many thanks to those of you that have already responded to the Donation Letter that we recently sent out. These donations will go directly to update the Equipment Room that every officer uses every day. The NBPD is very excited about the prospect of having a professional, organized room that all of the officers use to store all of their equipment that they use to help keep us safe.
- For those still considering donating, please send in your donations by May 31st.
- We appreciate your consideration as we try to bridge the fundraising gap due to the COVID-19 situation.

Thank you for being a member of the NBPCAAA. Please contact me if you have any questions.

Kevin Weidner
Secretary, NBPCAAA
