

May 2020

Members,

Board Meeting Minutes

While everyone is following the Safer at Home requirement, the Board continues to conduct business via Zoom Teleconferencing. All Board Meeting Minutes are available on the NBPCAAA Web Site, in the Member's Area section, if you want to see what is discussed.

NOTE: There is currently a web site issue with loading the April Minutes, but we hope to have it resolved this week.

Muskego/New Berlin Shooting Range Fundraiser

Due to the extension of the Safer at Home directive, the event will be postponed until fall. Once we have a new date set and are ready to open registration, we will send further information.

Bowling for the Badge

Due to a great number of factors associated with the COVID-19 pandemic, the Bowling for the Badge fundraiser will be cancelled for this year, but we will have it again in June 2021.

SCIT Vehicle Update

The delivery of the SCIT vehicle is still anticipate on or about May 19th. Chief Hingiss sent a Thank You Letter for the \$4,564 that the NBPCAAA donated as part of our Matching Grant. The letter is attached to the Board Meeting Minutes (042320) if you would like to view it. We are hoping that the Chief will be able to present the vehicle to the Membership during the May 28th General Meeting.

NBPCAAA Web Site

The web site is current with all known activities of the association. Please check it out if you have any questions about what is scheduled, what we are doing, etc.
