Additional activities are being considered as more people get their COVID vaccinations, it becomes safer to gather, and people become more comfortable gathering in groups. We are hoping that by late summer or fall that we will be able to have some of the events and gatherings that we have had in the past.

We sincerely appreciate your continued support of our officers and staff, and your patience as we all work through getting to a situation that is safe for all of our members to enjoy our organization and the events that we hold.

Best regards,

Kevin Weidner

Secretary, NBPCAAA
