Civil Disturbance Room

The Board approved funds for the NBPD to build a Civil Disturbance Room to house the equipment needed during a civil disturbance in a neat and orderly manner for quickest access and improved response time.

July 3rd/4th Feed the Cops

The NBPD is working with the Board to determine what items they would like for the officers and staff who work July 3rd and 4th. As soon as we get that information, we will provide a SignUpGenius if you would like to donate food/beverages/etc. for those days to show our support for our great police.
