

A Letter from Chief Jeff Hingiss

Thank you for your interest in the New Berlin Police Department's Citizens Academy and the Citizens Academy Alumni Association (NBPCAAA).

The New Berlin Police Department's Mission is to protect the lives and property of the people we serve and prevent crime through our partnership with the community. Members of the academy and the alumni association connect with our officers in a casual environment to better understand how we use our training, experience, and equipment to protect anyone who lives or spends time in our city.

The alumni association will enable you, through a variety of social events or other opportunities, to support those who will support you!

Chief Jeff Hingiss

Citizens Academy

The New Berlin Police Citizens Academy is a **FREE** 11-week program (One night a week for 2-1/2 hours) designed to provide citizens with a better understanding of the operations of our police department. This unique opportunity is open to anyone who lives or works in New Berlin that is at least 18 years of age. For more information contact us.

We encourage graduates to stay involved through our Alumni Association (NBPCAAA). This is a great way to help the police department in various ways and for citizens to give back to their community.
